Professional Overview

Motivated and detail-oriented web developer with expertise in frontend and backend technologies. Skilled in building and deploying full-stack applications with modern tools and frameworks. Strong problem-solving, communication, and teamwork abilities with a passion for learning and innovation.

Technical Skills

- Frontend: HTML, CSS, JavaScript, React.js, Tailwind CSS, Vite
- Backend: Node.js, Express.js, Appwrite
- Databases: MongoDB, SQL
- Languages: JavaScript, Python, MySQL (basic familiarity), C language
- Tools & Technologies: Cloudinary, Nodemailer, Twilio
- Version Control & Deployment: Git, GitHub, Vercel, Render
- API testing tool : Postman
- Other: RESTful APIs, JWT Authentication, Email Verification

Experience

Full-Stack Developer

BlogApp | Dec 2024 – Jan 2025

- Designed and developed a modern blog platform with React for the frontend and Node.js for the backend.
- Implemented user authentication (JWT), email verification (Nodemailer), and CRUD operations for blogs.
- Integrated pagination, API development, database optimization and deployed the platform using Vercel (frontend) and Render (backend).

Frontend Developer

Project Management Tool | Nov 2024 – Dec 2024

- Built a task management platform with React and Tailwind CSS, leveraging Appwrite for backend services.
- Developed features for task assignments, user authentication, Responsive design, UI optimization and real-time updates.

Backend Developer

ShopEase | Jan 2025 – Present

- Developed a scalable backend for ShopEase using Node.js, Express, MongoDB (Mongoose), and MySQL (Sequelize), implementing RESTful APIs for products, orders, authentication, and payments.
- Implemented secure authentication & authorization with JWT and bcrypt, ensuring role-based access control and user session management.
- Optimized database interactions by structuring relations in MySQL and flexible NoSQL storage in MongoDB, integrating Cloudinary for efficient image uploads.

Education

- X: 90.6% (Jawahar Navodaya Vidyalaya Una , CBSE)
- XII: 88.4% (Jawahar Navodaya Vidyalaya Una , CBSE)
- BSc in physical sciences (currently pursuing from COE Govt. College Sanjauli, Shimla)

Certifications

- Complete Web Development – Programming Hero

Awards & Achievements

- Deployed BlogApp, achieving a 25% improvement in load time
- Developed and deployed scalable applications with optimized performance and modern UI/UX design.
